Cookie Policy for My Yarlington

This is the Cookie Policy for My Yarlington.

This website uses cookies, which are tiny files downloaded to your computer, to improve your browsing experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies. We will also share how you can prevent these cookies from being stored, if you wish, although this may downgrade or 'break' certain elements of the site's performance.

For more general information on cookies see the Wikipedia article on [HTTP Cookies](#).

How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to the site. It is recommended that you leave on all cookies if you are not sure whether you need them or not, in case they are used to provide a service that you use.

Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of the site. Therefore it is recommended that you do not disable cookies.

The Cookies We Set

- Forms related cookies

  When you submit data to through a form such as those found on contact pages or comment forms cookies may be set to remember your user details for future correspondence.

Third Party Cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

- This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce content that is engaging to you and others.

For more information on Google Analytics cookies, see the official Google Analytics page.

- From time to time we test new features and make subtle changes to the way that the site is delivered. When we are still testing new features these cookies may be used to ensure that you receive a consistent experience whilst on the site whilst ensuring we understand which optimisations our users appreciate the most.
- We also use social media buttons and/or plugins on this site that allow you to connect with your social network in various ways. For these to work the following social media sites including; Facebook, Twitter and Instagram will set cookies through our site which may be used to enhance your profile on their site or contribute to the data they hold for various purposes outlined in their respective privacy policies.
